INDEPENDENT AUDITORS' REPORT

To the Board of Directors, Redwood Empire Public Television, Inc.:

Report on the Financial Statements

We have audited the accompanying financial statements of Redwood Empire Public Television, Inc. ("KEET TV"), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KEET TV as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The financial statements of KEET TV for the year ended June 30, 2020, were audited by another auditor who expressed an unmodified opinion on those statements on December 8, 2020.

(1) <u>Summary of Significant Accounting Policies:</u>

(a) **Organization**—Redwood Empire Public Television, Inc. ("KEET TV") is a nonprofit corporation chartered on December 11, 1962 for the purpose of providing alternative and educational television to the general public.

(b) **Basis of accounting**—The financial statements of KEET TV have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(c) **Basis of presentation**—KEET TV reports net assets based on the existence or absence of donorimposed restrictions. Accordingly, net assets of KEET TV and changes therein are classified and reported as follows:

<u>Net assets without donor restrictions</u> – Net assets available for use in general operations and not subject to donor restrictions.

<u>Net assets with donor restrictions</u> – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met either by actions of KEET TV and/or passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by laws. Expirations of net assets with donor restrictions (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, KEET TV reports the support as unrestricted.

At June 30, 2021, net assets with donor restrictions included contributions receivable, as they are subject to implied time restrictions, and unspent American Rescue Plan Act ("ARPA") Stabilization grant funds. ARPA Stabilization grant funds are restricted to maintain programming and services and preserve the ability of stations to respond to the global pandemic, coronavirus disease "COVID-19". At June 30, 2020, net assets with donor restrictions included contributions receivable subject to implied time restrictions.

(d) **Cash and cash equivalents**—For the purpose of the statement of cash flows, KEET TV considers all highly liquid investments with an initial maturity of three months or less when purchased to be cash equivalents.

(e) Accounts and pledges receivable—Accounts and pledges receivable are carried at original amounts billed or pledged, less an estimate for doubtful accounts based on periodic review by management. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using historical experience applied to certain types of receivables. KEET TV does not require collateral or other security on accounts receivable.

(1) Summary of Significant Accounting Policies: (Continued)

(f) **Property and equipment**—Property and equipment are valued at historical cost for purchased items and at estimated fair value for donated items. KEET TV has not established an explicit capitalization policy. Depreciation for financial reporting purposes is computed using straight-line basis over the estimated useful lives of the asset as follows:

| | Years |
|------------------------------------|--------|
| Buildings and equipment | 3 - 20 |
| Engineering building and equipment | 7 - 20 |
| Studio equipment | 4 - 10 |
| Office furniture and equipment | 4 - 10 |
| Vehicles | 5 - 6 |

(g) **Revenue recognition**—KEET TV recognizes support and revenue from a variety of sources, including but not limited to the following:

Contributions, including membership, pledges, and major gifts, are recognized when cash, securities or other assets; an unconditional promise to give or bequest; or a notification of a beneficial interest is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

Underwriting revenues are contributions to KEET TV to support its programming or activities in the form of underwriting credit. Nothing of commensurate value is exchanged for underwriting credit, and KEET TV provides refunds for any underwriting revenues collected if the spots are not aired. Therefore, underwriting revenues contain a barrier to overcome and a right of return or a right of release of the obligation, and are recognized as revenue when the related underwriting credits are aired.

Grants for specific projects and activities are recognized as revenue when awarded and all conditions have been met.

Revenues from production contracts, lease agreements, other rentals and services are recognized in the period earned or stipulated in the agreement, as performance obligations are satisfied.

(h) **Pledges and contributions**—KEET TV engages in periodic fundraising campaigns manifested by offering special programs and on-air and mail fundraising appeals. These appeals encourage supporters, both individuals and organizations, to provide financial contributions to KEET TV. Financial contributions are frequently evidenced by pledges received from responding listeners. Contributions, including unconditional promises to give and membership receipts, are recognized as revenue in the period received or given. Collected contributions and pledges are components of net assets without donor restrictions inasmuch as their usage is not limited to specific activities of KEET TV. This usage is consistent with appeals for contributions and pledges. Contributions receivable are a component of net assets with donor restrictions as they are subject to implied time restrictions.

(1) <u>Summary of Significant Accounting Policies:</u> (Continued)

Conditional promises to give are considered conditional if the terms of the agreement include both a right of return of assets received/promised and a barrier to entitlement. Conditional agreements are not recognized as pledges receivable until the conditions and barriers on which they depend are met.

(i) **In-kind contributions**—Contributed materials, supplies, facilities, and property are recorded at their estimated fair value at the date of donation. KEET TV reports gifts of equipment, professional services, materials and other nonmonetary contributions as support in the accompanying statements of activities.

If the fair value of contributed materials, supplies, facilities, and property cannot be reasonably determined they are not recorded. Donated personal services of nonprofessional volunteers, as well as national and local programming services, are not recorded as revenue and expense as there is no objective basis available to measure the value of such services.

Contributed advertising and promotion are recorded at the fair value of the contribution portion of the total value received.

(j) **Compensated absences**—Employees accrue vacation leave benefits based on duration of employment. Unpaid vacation leave is recognized as a current liability. The vacation leave liability was \$38,340 and \$46,568 as of June 30, 2021 and 2020, respectively.

(k) **Deferred revenue**—KEET TV records amounts received on grants and contracts as deferred revenue until it is earned for the purpose of the grant or contract, at which time it is recognized as revenue. The balance in deferred revenue represents amounts received under cost reimbursable contracts that will be expended in the next fiscal year in accordance with the contract provisions.

(1) **Functional expenses**—KEET TV allocates its expenses on a functional basis between its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expense classification. Other expenses that are common to several functions are allocated based on time or effort.

(m) **Advertising**—Advertising costs are charged to the operations when incurred. The amount charged to expenses was \$25,444 and \$94,032 for 2021 and 2020, respectively.

(n) **Use of estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, results could differ from those estimates.

(o) **Income taxes**—KEET TV is generally exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements.

KEET TV files income tax returns in the U.S. Federal and state jurisdictions. KEET TV's tax returns for the past three years are subject to examination by tax authorities, and may change upon examination. KEET TV has reviewed and evaluated the relevant technical merits of each of its tax positions in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes and determined that there are no uncertain tax positions that would have a material impact on the financial statements of KEET TV.

(p) **Recently issued accounting pronouncements**—The Financial Accounting Standards Board ("FASB") issued new or modifications to, or interpretations of, existing accounting guidance during the year ended June 30, 2021. KEET TV has considered the new pronouncements that altered accounting principles generally accepted in the United States of America, and other than as disclosed in the notes to the financial statements below, does not believe that any other new or modified principles will have a material impact on KEET TV's reported financial position or operations in the near term.

In May 2014, the FASB issued ASU 2014-09: *Revenue from Contracts with Customers*, and has subsequently issued supplemental and/or clarifying ASUs (collectively "ASC 606"). These standards outline a five-step framework that supersedes the principles for recognizing revenue (previously "ASC 605") and eliminated industry-specific guidance. The core principle of the guidance of ASC 606 is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for goods and services. The transaction price is allocated to identified performance obligations and recognized as performance obligations are satisfied. Qualitative and quantitative disclosures are required to enable users of financial statements to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. KEET TV adopted ASC 606 for fiscal year 2021. There were no material impacts to the financial statements as a result of implementing ASC 606.

In February 2016, the FASB issued Accounting Standards Update 2016-02: *Leases* (Topic 842), to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the statement of financial position and disclosing key information about leasing arrangements. The standard (as amended) is effective for KEET TV's fiscal year ending June 30, 2023, and may be adopted early. KEET TV is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operations, and cash flows.

In August 2018, the FASB issued Accounting Standards Update 2018-13: *Fair Value Measurement* (Topic 820): Changes to the Disclosure Requirements for Fair Value Measurement, to improve the effectiveness of disclosures in the notes to the financial statements. KEET TV adopted ASU 2018-13 effective for its financial statements as of and for the year ended June 30, 2021. There were no material impacts to the financial statements as a result of implementing ASU 2018-13.

In September 2020, the FASB issued Accounting Standards Update 2020-07: *Not-for-Profit Entities* (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets, to increase the transparency of contributed nonfinancial assets through enhancements to presentation and disclosure. The ASU should be applied on a retrospective basis and is effective for KEET TV's fiscal year ending June 30, 2022. Early adoption is permitted. KEET TV is currently evaluating the effect that implementation of the new standard will have on its financial position, results of operations, and cash flows.

(q) **Endowment fund**—The board designated endowment fund is carried at fair value, and realized and unrealized gains and losses are reflected in the accompanying statements of activities. See Note 5 for further information on fair value reporting for the endowment fund.

(r) **Corporation for Public Broadcasting Community Service Grants**—The Corporation for Public Broadcasting ("CPB") is a private, nonprofit grant making organization responsible for funding more than 1,000 television and radio stations. CPB distributes annual Community Service Grants ("CSG") to qualifying public broadcasting entities. CSGs are used to augment the financial resources of public broadcasting entities and thereby to enhance the quality of programming and expand the scope of public broadcasting services. Each CSG may be expended over one or two federal fiscal years as described in the Communications Act, 47 United States Code Annotated, Section 396(k)(7). In any event, each grant must be expended within two years of the initial grant authorization.

According to the Communications Act, funds may be used at the discretion of recipients for purposes relating primarily to production and acquisition of programming. Also, the grants may be used to sustain activities begun with CSGs awarded in prior years. Certain General Provisions must be satisfied in connection with application for and use of the grants to maintain eligibility and meet compliance requirements. These General Provisions mainly pertain to the use of grant funds, record keeping, audits, financial reporting, mailing lists, and licensee status with the Federal Communications Commission.

The CSGs are reported on the accompanying financial statements as increases in net assets without donor restrictions, provided they are spent in the same fiscal year they are received.

(s) **Reclassifications**—Certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation. These reclassifications had no effect on net assets.

(t) **Subsequent events**—KEET TV has evaluated subsequent events through February 11, 2022, the date on which the financial statements were available to be issued. No subsequent events have been identified or disclosed.

(2) Liquidity and Availability:

KEET TV manages liquidity and availability by monitoring all cash accounts. The process is completed on an as needed basis depending on the cash requirements of the business as its general expenditures, liabilities, and other obligations come due. To help manage unanticipated liquidity needs, KEET TV has a line of credit which it can draw on, as detailed in Note 7. Financial assets available for general expenditure, that is, without donor restrictions, or internal board designations limiting their use, within one year of the balance sheet date, comprise the following:

| | 2021 | 2020 |
|--|-------------------------|-------------------------|
| Cash and cash equivalents Accounts and pledges receivable | \$ 946,961 18,876 | \$ 507,565 42,347 |
| Financial assets available to meet cash needs for general expenditures within one year | \$ 965,837 | \$ 549,912 |

The pledges receivable are subject to implied time restrictions, but are expected to be collected within one year.

KEET TV has a board designated endowment fund of \$537,369 and \$405,772 at June 30, 2021 and 2020, respectively. KEET TV structures its financial assets to be available and liquid as its general expenditures, liabilities, and other obligations come due. Although KEET TV does not intend to liquidate assets other than for amounts needed for general expenditures budgeted during the year, these amounts could be made available if necessary. See Note 5 for additional information regarding the board designated endowment fund.

(5) **Board Designated Endowment:** (Continued)

The fair value measurement accounting literature provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that KEET TV has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted market prices for similar assets or liabilities in active markets, (2) quoted prices for identical or similar assets or liabilities in inactive markets, (3) inputs other than quoted prices that are observable for the asset or liability, and (4) inputs that are derived principally from or corroborated by observable market data by correlation of other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes to the methodology used at June 30, 2021 and 2020.

Endowment fund – Valued at the net asset value ("NAV") of the units held by KEET TV at year end, as reported by the investment manager.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although KEET TV believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no unfunded commitments related to the endowment fund and the redemption period is daily.

Following is a description of the significant investment strategy of each major category of investments for which fair value has been estimated using the NAV per share of the investments as a practical expedient as of June 30, 2021 and 2020:

Endowment fund – To provide preservation of capital, long-term growth, and purchasing power of the Foundation's assets after inflation and spending through an emphasis of total return, while assuming a level of risk consistent with reasonable and prudent investment practices for such funds.

(6) **<u>Refundable Advance:</u>**

On April 28, 2020, KEET TV received loan proceeds in the amount of \$130,000, pursuant to the Paycheck Protection Program ("PPP") established as part of the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). Under the terms of the PPP, loan proceeds and accrued interest are forgivable if they are used for qualifying expenses such as payroll, benefits, rent and utilities, and KEET TV maintains its payroll levels over a specified period of time as described in the CARES Act. Any unforgiven portion of the loan is payable over two years at an interest rate of 1%, with a deferral of payments for the first ten months. In December 2021, the Corporation received notice the forgiveness application had been approved in full. Debt forgiveness of \$130,000 has been recognized on the statement of activities for the fiscal year ended June 30, 2021.

On March 26, 2021, KEET TV received a second round of loan proceeds in the amount of \$126,137, pursuant to the second round of the PPP established as part of the federal Consolidated Appropriations Act, 2021. Under the terms of the PPP, loan proceeds and accrued interest are forgivable if they are used for qualifying expenses such as payroll, benefits, rent and utilities, and KEET TV maintains its payroll levels over a specified period of time as described in the Consolidated Appropriations Act, 2021, during the covered period. Management intends to utilize loan proceeds for purposes consistent with the PPP and believes substantially all of the loan will be forgiven, though it is reasonably possible that conditions could arise that would make KEET TV ineligible for forgiveness of the loan, in whole or in part. Subsequent to year end, it was confirmed that management utilized the loan proceeds for purposes consistent with the PPP and the loan was forgiven on November 2, 2021. Accordingly, the loan is presented separately as a refundable advance on the statement of financial position as of June 30, 2021.

(7) Line of Credit:

As of June 30, 2021 and 2020, KEET TV has an available line of credit from Coast Central Credit Union for \$200,000. The line of credit bears interest at an initial rate of 4.75%. (11) Significant Concentration Risk:

Information related to significant concentrations of revenues and credit risk for financial instruments owned by KEET TV, except as otherwise disclosed, is as follows:

(a) **Cash and cash equivalents**—KEET TV maintains its cash accounts at financial institutions which at times may exceed federally insured limits. KEET TV has not experienced any losses in such accounts. As of June 30, 2021, the uninsured cash balance totaled \$678,220. There was no uninsured cash balance as of June 30, 2020.

(b) **Revenues**—The CPB provided approximately 48% of revenue during each of the fiscal years ended June 30, 2021 and 2020.

(12) Contingent Liabilities:

Financial awards from federal, state, and local governmental entities in the form of grants are subject to audit. Such audits could result in claims against KEET TV for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits because the amounts, if any, cannot be determined at this date.

(13) Community Service Grants:

KEET TV receives a CSG from the CPB annually. The CSGs received and expended during the most recent fiscal years were as follows:

| Voors of | | Years of Grants | | Expended | | | | Uncommitted Balance at | |

| | 2019-21 | | 564,284 | | 564,284 | | - | | - |

(14) Nonfederal Financial Support:

The CPB allocates a portion of its funds annually to public broadcasting entities, primarily based on nonfederal financial support ("NFFS"). NFFS is defined as the total value of cash and the fair market value of property and services received as either a contribution or a payment and meeting all of the respective criteria for each.

A "contribution" is cash, property or services given to a public broadcasting entity for general operational purposes. Support received as a contribution by a public broadcasting entity must meet the following criteria to be includable as NFFS: (1) the source may be an entity except the federal government or any other public broadcasting entity; (2) the contribution may take the form of a gift, grant, bequest, donation or appropriation; (3) the purpose must be for the construction or operation of a noncommercial, educational public broadcast station or for the production, acquisition, distribution or dissemination of educational television or radio program and related activities; and (4) the recipient must be a public broadcasting entity on behalf of a public broadcasting station.

A "payment" is cash, property or services received by a public broadcasting entity from specific sources in exchange for specific services or materials. Support received as a payment by a public broadcasting entity must meet the following criteria to be includable as NFFS: (1) the source must be a state or local government or agency thereof, or an educational institution; (2) the form of the payment must be an appropriation or contract payment in exchange for specific materials or services related to public broadcasting; (3) the purpose must be for services or materials with respect to the provision of educational or instructional television or radio programs; and (4) the recipient must be a public broadcasting entity on behalf of a public broadcast station.

Reported NFFS for the Corporation was \$609,617 and \$623,962 for the years ended June 30, 2021 and 2020, respectively.

(15) **<u>Risks and Uncertainties:</u>**

KEET TV is exposed to various risks of loss arising from litigation and claims in the normal course of business. KEET TV maintains insurance coverage to provide for risks of loss.
